

## **Culinary Opportunity at Mountaintop Golf & Lake Club**

Mountaintop Golf & Lake Club is high end, family-centric club community that is looking for a true leader to manage its culinary operations, lead its heart-of-the-house team, and join its family. It does \$1.6M annually in F&B (95% a la carte/5% banquet) and has 350 member families. It was originally developed by [Discovery Land Company](#) and embodies casual luxury. Their cuisine is described as “comfort food with a twist.” We are looking for a developer of teams, a creator of experiences, and a collaborator who works well with high-performing, service-focused managers and staff that embodies their core values of honesty, enthusiasm, hospitality, quality, and fun.
